Spunk shower

I'm a fuck slut – a proper fuck slut. I'm the first girl to get naked and start sucking dick at all the parties. It's me that likes to write 'fuck here' in lipstick over my arse and place myself in the centre of the room.

I'll tell you what I'd like. I'd like to pick up three guys, all mates, and take them back to my house.

When we got in, I would strip in front of you all and get down on my hands and knees and tell you that you can have me in every hole, with the biggest of you right up my arse.

I love that, I love being full to the brim with dick.

You could take pictures, or even video me. I'd look great with your dick in my mouth.

Maybe you don't like blow jobs, that's okay, I

covered in jizz.

Maybe you'd all have to take it in turns to fuck me first, just so I could keep the spunk flowing – that way we'd not have to wait for half an

I love being full to the brim with dick

also look good with a couple of dicks in my hands, wanking them off onto my nice big tits.

Would you like to cum on my tits? Maybe you'd rather shoot your load inside my arsehole. It feels great squeezing it all out and letting it trickle down across my pussy.

You could slap my face with your dick and I would suck both your balls into my mouth as you did it.

And I wouldn't let you leave until I was absolutely

hour to get you all hard again.

You don't need big dicks, you just need to love fucking and to love having a fuck slut tend to your cocks every need.

Sandy, Southampton.

Take it slow

Last summer my boyfriend introduced me to the pleasures of threesomes.

We were going to meet up with some friends of his, Mark and Kelly, round their house and take it slowly, to see if I liked it or not.

At first, we sat in their front room and chatted for a while before it went quiet. The silence was only broken after Mark and Kelly, staring into each other's eyes for a moment, laughed and began to kiss.

Kris sat close beside me and put his arm around me, watching me intently.

In front of me, Mark was unbuttoning Kelly's blouse and sliding it over her shoulders, exposing her cleavage.

Watching them come together, entwining their legs, their passion growing, I found myself becoming aroused.

I turned to Kris, who was toying with my hair, and we kissed lightly. His hand

We lay down together and the boys pushed into us

stroked my thigh and I looked across to see that Mark's hand was already nestled between her legs and his fingers were running a course over her lips through her silk panties.

I opened my own legs and

Kris's hand made for my own pussy, cupping me and rubbing his palm against me as he knew I liked.

As his hand delved inside my knickers I reached for his penis, feeling him hard inside his trousers and unzipping his fly to feel him in my hand.

We played with each other, our kissing growing passionate, Kris's hands roaming my body, taking as much of my clothes off as he could.

By the time I could think of nothing more than having him inside me, Mark and Kelly had stripped naked, and we were sitting side by side, softly playing with each other as they watched us.

Kris asked me to lie down on the floor, facing them, and I too stripped naked.

When I lay down, Kelly lay down next to me, facing me, and the two boys pushed themselves inside us.

I watched Kelly's reaction as Mark entered her and she reached out and took my hand as they began to fuck us in rhythm. I groped her tits as we got banged.

When Kelly took my hand and placed it on her pussy,

it felt so hot and I could feel myself close to orgasm.

Rubbing her wet clit, its pussy lips so much larger than my own, my fingers found Mark's cock and I put my palm on Kelly's clit and reached my fingers round his shaft.

All three of us came then, as I lay they getting fucked hard by my boyfriend while feeling another man's cock

fuck another woman's pussy.

It was one of the fastest and most earth shattering orgasms I have ever had and opened my mind wide.

Since then we have had plenty of foursomes and I have watched Kris fuck women as I'm fucking other men – sometimes the sex is incredible.

REAL WIFE SEX

Will finds it's always better to have an audience for his shagging.

Beth & Monique,
South London

Normally we invite couples to join us in our home, but when May announced that she'd found a new couple I had no idea she meant a couple of girls.

They came round that weekend and I stood stunned when May showed Bethany and Monique into the living room.

We laughed about it soon after as they settled down and had a drink with us. Monique explained that they were two good friends that swung together at parties mostly but every now and again they liked to do something a little more intimate.

Watching them laughing together and kissing was electric and all the more horny when Bethany, a small brunette with a great bum, took a seat beside my wife and began to kiss her.

Monique sat beside me and smiled, nodding over to the two girls for me to watch as she laid her hand on my crotch and began to subtly stroke it.

May sat back as Bethany undressed them both, and then they began to kiss again, softly touching and feeling each other's bodies.

When Bethany slipped a finger inside May, causing her to gasp, I was already fully erect, and Monique chose that moment to undo my fly and pull out my cock.

Until that moment, I hadn't noticed that Monique, a beautiful, raven-haired French girl who wore it cropped short, had been undressing next to me, I was so engrossed in watching May and Bethany.

She had a fantastic body, smooth skin, a pert pair of breasts that were full ripened, hips a perfect contour.

I didn't look up to see what May and Bethany were doing from that moment, I was too busy kissing, licking, stroking and touching my way around Monique's entire body.

But when Monique said, "Hi," over my shoulder while I was eating her pussy, I looked up to see Bethany holding May's hand behind me.

"Mind if we join you?" she asked and sat May down beside Monique.

I watched Bethany finger May and run her thumb over Monique's clit and then I delved between her lips with my

THREESY DOES IT!

tongue and sucked May's pussy juice off of Bethany's fingers.

Then I changed places with Bethany and admired how wet she had got my wife before sucking on her pussy.

The girls knelt either side of us, their hands wandering all over our bodies, pulling on my balls, wanking my shaft, rubbing my ring. May fared no better – they fingered her pussy at the same time, tweaked her nipples, put their juices soaked fingers into her mouth.

May was having such a wild time that she was the first to come then, spasming in front of us all and then laughing loudly when she had cum.

"Come on, let's finish him off now!" she laughed and the three of them lay me

down on the floor.

I was thrilled when Monique straddled me, it's a wonderful feeling entering a beautiful woman for the first time, even more wonderful if there are two others there. Bethany got on all fours beside me

**I filled her up with

and told me to finger her pussy and asshole over her shoulder. And May began to fondle my testicles, joining me in probing Bethany's holes.

How could I not cum after five minutes of this treatment? Monique

was riding me ferociously, egging me on to fill her up with spunk, and I now had two fingers inside May and two inside Bethany.

I filled Monique up with an incredible amount of spunk. How do I know? I watched as she pushed it all back out of her twat and onto Bethany's boobs!bike" rep.

The next day May and I got turned-on thinking about what a fucking great night we'd had. I heard her make these little noises and thought she was having a dream – but then I saw her hand was in between her legs and she was hump-

Megan's a kinky girl, but the one thing she loves more than anything else is getting a cunt full of spunk.

The last time it happened, we had about five lads in a

the first lad and the one next to him, she ran her hands up both their thighs and felt them up.

Then one of them pulls his own cock out and she grabs that, and the other does the same and she's split between which one to suck first.

In the end she took the smaller first. Giving it a sloppy

You can all fuck me but you have to cum inside me!

back room at the pub and she starts sitting on people's laps, grinding herself up against them. Pretty soon there are plenty of boners around the room.

Meg goes for the nearest one, sitting on the guy's lap and opening her legs wide.

When she kissed him, he ran his hand up her thigh until he was stroking her cunt through her knickers.

She stood up and this guy just pulls her knickers down and lifts her skirt up, complimenting her on her shaven mound.

Squeezing herself between

suck and getting it covered in spit.

After she'd had a good slurp on the both of them, she lay down on the floor and said, "All you guys can fuck me, but you have to cum inside me."

One of the guys with their dicks out got straight between her legs, pushing himself deep inside and making her moan loudly.

The other guy knelt by her face and she sucked on his dick.

This got the rest of them falling into line, with the bravest one getting his dick out

and getting down next to her head too.

So as she's sucking the two of them off, the first lad comes to a stuttering orgasm, filling her pussy with his seed, and then he's straight off and quick as a flash one of the last two to not have their cocks out jumps right in there and gets inside her pronto.

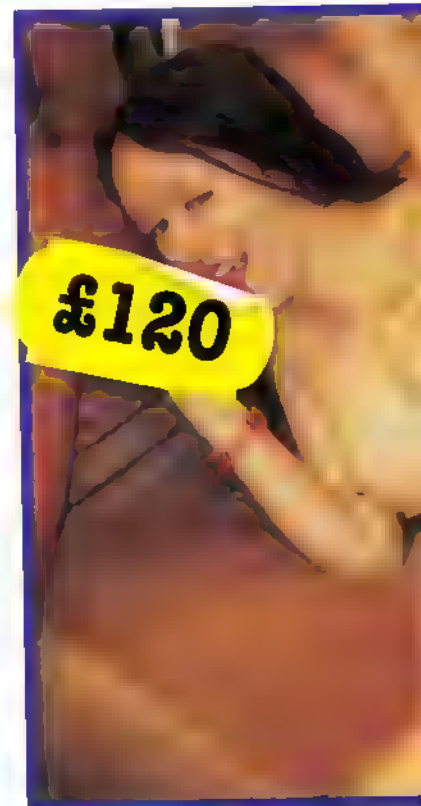

As is the way, Rose's talent for sucking cock is phenomenal and she can't help but make the first guy spunk in her mouth.

Luckily, the guy between her thighs was just as quick to cum, doing his thing and then getting straight back up.

Finally, after getting his cock wanked on and sucked so good, did the first cock she'd touched get inside her now spunky cunt.

And without any dicks in her mouth, Rose started to talk. "Come on, fill me up with your cum, I want it all," she said, breathing deeply.

That got him, the guy nearly

shouted the ceiling down when he unloaded inside her!

But there was still one guy left, who still had his dick in his trousers.

"Come on," said Rose, "it's your turn. I promise I won't bite."

But he didn't budge. So she crawled over to him and rubbed her face over his crotch.

When she tried to unzip his trousers, he didn't stop her.

So once she had his cock out, she turned her back on him and sat down on it, guiding it up her gooey funnel.

Taking care not to lose any of the cum inside her, she ground around on him slowly, taking her time, but he still came quick enough.

Once she was full, she crawled back onto the floor and slowly pushed all the cum out of her cunt and making it run down her thighs and onto the carpet as she rubbed herself off with a handful of it.

This got all the lads raring to go again, such a sexy sight Megan was putting on, but I wanted her all to myself now.

I drove her home, all the while spunk flowing out of her on to the car seat and when I got her back I barely got her through the front door before I had sunk my hard prick in her sopping spunky slit.

I gave it to her hard and blew my load up her spunky, overflowing pussy.

Alan, Portsmouth.

Bold school

I hadn't seen Kathy since we were at school together, many moons ago, but I was glad to bump into her again.

She told me she'd done a bit of modelling after she'd left school but that was long ago, and I told her I had a camera and would love her to model for me – it was a gamble, but a man should never ignore opportunities.

Anyway, when she said that sounded like fun and gave me a look

away – I was expecting to have to work slowly, chancing my arm every now and again to see how far she would go, but seeing her in her underwear on my doorstep meant I wouldn't have to even bother with any pretence.

"I always wanted to be in a porn mag," she confessed, rubbing her pussy softly as I snapped away. She was a swinger, she said, and had fucked countless men and women over the past ten years. "And I'm going to fuck you today, Terry," she said, smiling up at me and licking

her own juices off her fingers.

By this time I had given up on taking any more photos – I'm kicking myself now that I didn't get some pics of her sucking on my cock because she could suck a dick like no other woman I'd ever fucked before, but never mind, eh?

I put the camera

Kathy, Rochdale

Arcs of jizz shot over her shoulders

that told me much more, we arranged for her to come to my place that very night.

When she turned up she was wearing a red basque, red tights and red silk panties, opening her coat on the front doorstep and asking if I liked it.

Fucking did!!

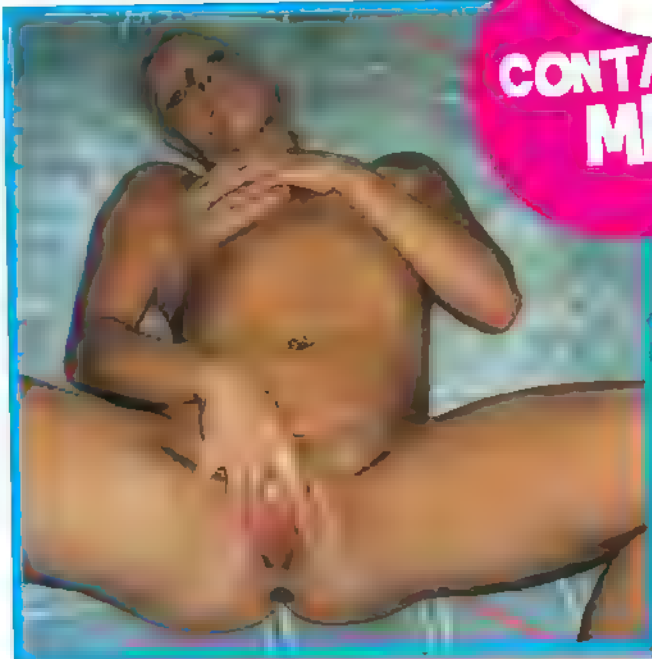

So we got started right

down and approached her, my dick bulging in my strides, and Kathy knelt in front of me and unzipped my trousers.

"Did you fantasise about me doing this in school?" she asked, looking up at me and taking my helmet into her mouth, rubbing it over her tongue.

"Every day," I lied.

CONTACT
ME

"You little liar!" she laughed, cupping my balls in one hand and working the shaft with the other as she slurped on my helmet.

"I used to fantasise about you," she went on. "I used to play with myself at night imagining what it would feel like to have you fucking me from behind. You don't know how many times I made myself cum thinking about you covering me in your cum."

Fuck, did this woman know how to turn a man on!

I pulled out of her mouth and told her to get down on her hands and knees. "Now's the time for you to stop dreaming and get the real thing!" I said, pulling open her arse cheeks and plunging my length inside her creamy

shaven snatch.

She begged me to fuck her hard and fast and was more than happy to slap it in and ride her hard.

Banging away at her pussy nice and hard, I watched her reach down and play with her cunt as I listened to her moaning and groaning and telling me how good it was, and when she asked me to cum up her back, I was ready to go!

Pulling out at the last moment, I watched as arcs of jizz shot from my dick and splattered her back, shoulders and arse, and squeezed the last few strands out of my tool and grinned as they landed right on her arsehole!

It's great to catch up with old school mates, eh?

Terry, Rochdale.

REAL WIFE SEX

Will's story continued from page 19

ing up against it, subtly as she could. I thought just leave her to it, enjoying the thrill then crack one off in the bathroom – but my dick got other ideas.

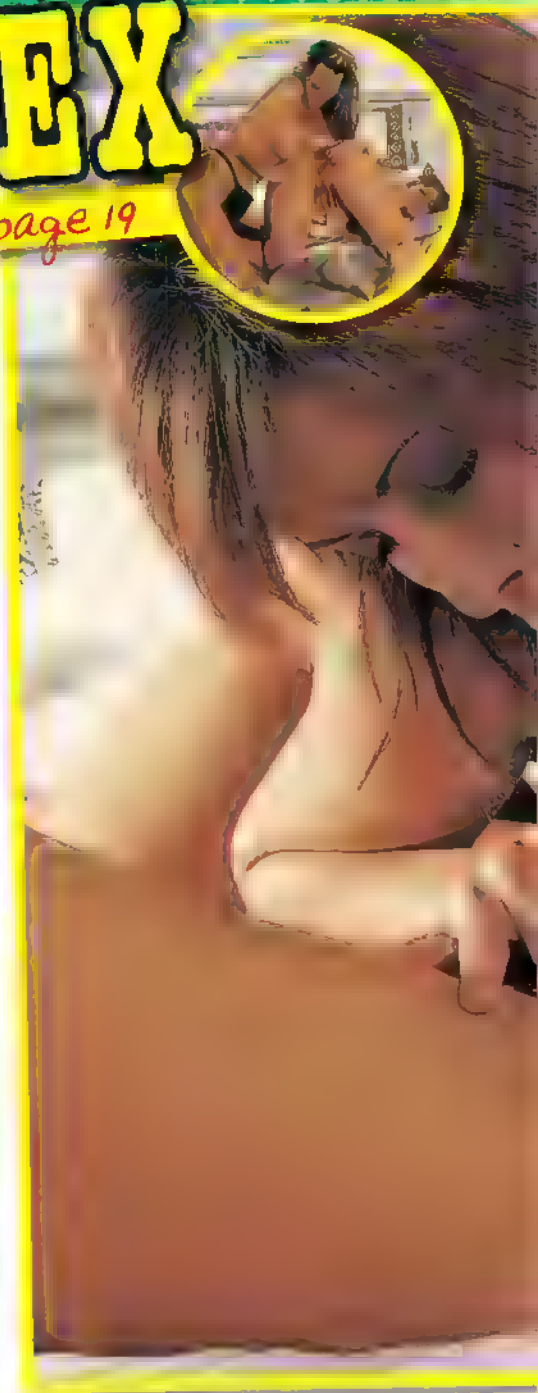

She was going for it now, past caring if I heard, and I just got visions of her fingers, knuckle-deep in her cunt, stirring her cream up to a froth. Next thing I knew I was all over her, rubbing my hand over her thigh through the thin sheet. She moaned and then grabbed hold of it, using it to frig herself.

She turned and we started snog-

ging, tongues tangling and thrusting as I jabbed my fingers in her pussy. Then she reached her sticky hand into my pants and started fondling my cock.

She gripped it firmly, letting out a chuffed little "Mmm..." as she felt how thick and hard it was. Then she just manoeuvred herself to straddle me, sitting over my hand as I kept frigging her hole

I finger-fucked her for another couple of minutes, as she rubbed my helmet against her clit. I asked her what about

those two tarts we'd had her fill with last night. She licked her lips and shuddered with remembered pleasure.

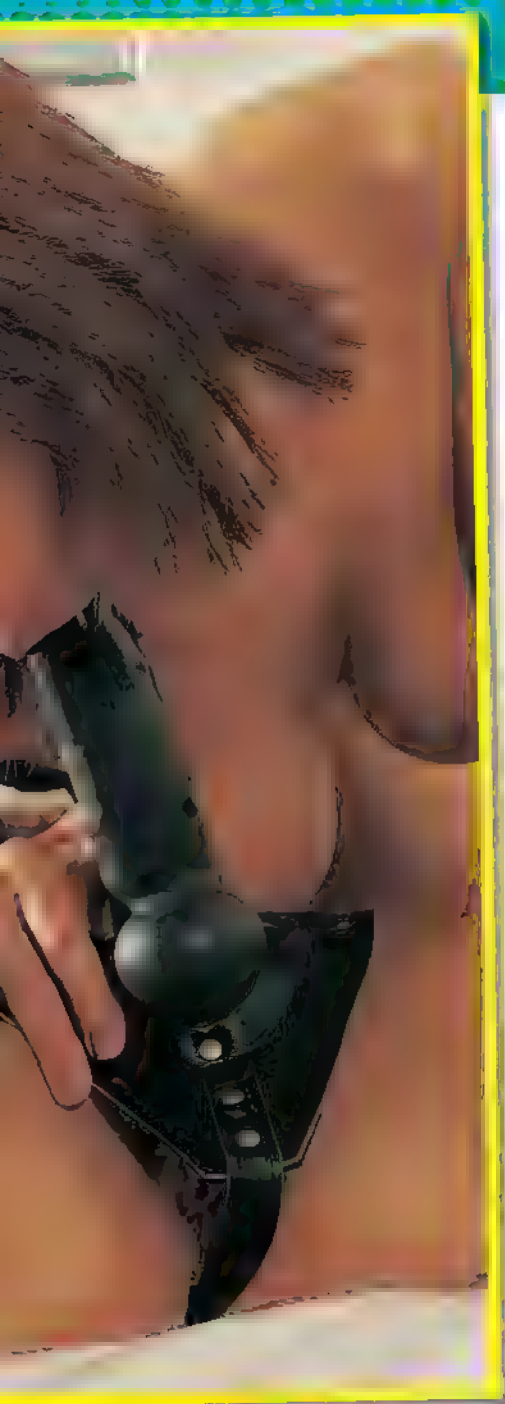

She plunged my dick into her hole and started to ride me, like every stroke of my prick inside her cunt was getting back at him.

If I was being used by my bitch, I didn't care. I hammered up as hard as I could, slamming my knob in. I reached

I hammered up as hard as I could

up to her tits, grabbing hold of the nipples, tugging and squeezing on them which just made her fuck me harder. Then she stretched out over my body and just flipped me over.

Now I had her on her back, legs bent up and hooked over my elbows, sucking on her tits as I balled her deep. She started cumming, pussy grasping my prick, and rippling as she screamed her motherfucking head off.

I wanted to do her up the arse, but she said "Not this time..." Instead, she shuffled down the bed, my wet prick slipping out and brushing her naked body.

Then she took it in her mouth and started to gobble me, slurping on my helmet as she wanked my shaft and balls.

I didn't have a chance – it took about a minute for her to get me splashing my jizz in her mouth, then all over her tits as she pulled me out and finished me off with her hands.

The way my girl gets me off just makes me so happy. We're going dogging soon – will keep in touch and let you know what happens! ☺

HOSE THAT GIRL!

JAMIE

What could be nicer than a good game of Swingball in the back garden. Especially if Jamie's the one swinging your balls around her mouth like she's illustrating the gravitational pull of the earth on the moon. "Well, there's no-one here at the moment to fill my mouth and spray my tits with spunk so I'll have to improvise with this hose pipe and lots and lots of warm water instead!" grins water babe Jamie (28). "I think my boobs look better covered in shiny fluid. What do you think? If you look over a certain hedge in Hampshire at about two thirty maybe you could judge for yourself!"

Randy Rose

This is my randy wife Rose. We've been married five years and every one of them has been horny!

I've never really been a very jealous man and Rose has always loved her sex, so when she told me when we were dating that she'd love to get fucked by two guys at the same time I was happy for it to go ahead – when she's happy, I'm happy.

Course, I didn't realise she meant she wanted to fuck me and another guy! But she wasn't too disappointed the night I brought a couple of friends of mine round after the pub to fulfil her fantasy.

Rose discovered that

she likes more than just two cocks at the same time, she likes as many as she can get.

Her biggest total has been five at a sex club in the States we went to on our honeymoon.

The place was full of horny strangers and great places to fuck but she found a neat little cushioned bench and lay back waiting for the cocks to arrive. Very quickly we had a group around her offering her their erect dicks and she took whatever they could give.

I watched one guy

She gets as many cocks as she can

get between her legs and shove himself right up her as another two stood either side of her face, their dicks waiting for her to suck on. Then a third guy came in

between them, wanking himself furiously and rubbing his dick over her face.

The guy who was fucking her was quick to cum, spunking onto her tummy and then leav-

Ready to ram

Amate and I were up in the woods all day, enjoying the country really. We ended up getting a bit lost and it was dark when we got back to our car.

We got in and sat back for a bit, and as we did so another car pulled in and parked on the opposite side, facing us.

A few minutes past and then they flashed their lights at us. Wiser versions of us

would have gunned the engine and got out of there, but we were young and thought ourselves invincible, so over we went, pulling in alongside them to see what it was they wanted.

Stella was sitting in the front passenger seat with her tits out! She was about forty (we were 19 and 20) and not the sort of girl either of us would normally go for.

But when you see a bird that brazen and that horny it really turns you on.

She looked at us and smiled and then Carl reached over and began to fondle her knockers.

My mate wanted to get the fuck out of there, but since I was driving and like what I was seeing, the engine stayed off.

I got out of the car and stood beside theirs, right next to Stella, my hand absentmindedly fondling my dick through my trouser pocket.

From where I was standing, I could see Stella had Carl's cock in her hand and was wanking him slowly. Carl had one of his hands between her thighs, her tiny denim skirt hitched up high

We fondled the brazen bird's tits

enough for me to see she had no knickers on.

Then she wound the window down and spoke to me. "Hello," she said in a friendly way. "We've not seen you here before. Can I see your prick?"

When she asked me this, Carl slid a finger up her cunt and slowly eased it in and out, and it was when he held

his fingers in front of her face and she sucked her own pussy juices off them seductively that I decided to get my cock out for her.

I was rock hard by then, and I unzipped my jeans and pulled out my dick, pushing it out in front of me and coming closer to her window, praying that she would take it in her mouth and suck me off.

ing her pussy wanting more. There was more to come!

This skinny looking black guy with a thick cock took his place, grinding himself around inside her, squeezing her tits as he fucked her and asked her if she liked it.

As he fucked her, one of the guys around her face shot his load into her mouth, the spunk creeping out the corner of her lips and dripping down the side of her face.

When the black guy came on her stomach, his spunk flew up onto her tits.

When he was done one

of the last two guys getting sucked off began to fuck her as fast as he could and he and the last remaining guy showered her in so much jizz as her mouth got filthy, telling them both how much she fucking loved to get covered in cum!

She saved the best for me, sucking me off in between telling me how good it had been and then taking it doggy before I came over her tits.

As you can see from these pics, I finally got my girly threesome so it's all good!

Matt, Grimsby.

**Rose,
Grimsby**

Happily, my prayers were answered – Stella held me in her hand for a moment, telling me how nice my dick was and pulling my foreskin back and forth over my helmet, and then eased her lips round my bellend.

I was a young and inexperienced lad then, so not surprisingly I was soon ready to cum.

Stella seemed to know this was about to happen so she took me out of her

mouth and wanked me off at full speed, aiming my jizz at her tits and face, licking the last drops from my tip and letting me know how it tasted.

It freaked the shit out of my mate, and he never came back with me, but I met them both, and plenty of other people, in that car park.

The day we met will be in my memories forever...

Vic, Shrewsbury.

Club together

One cock is never enough. I love a good hard fucking – always have done.

The best time was when four lads came back to mine and I was DP-ed by two of them while I sucked off the other two. I have not cum that hard in a long time.

I was hoping to meet a few guys. First you could all meet round mine and we could have a big gangbang, just us.

that I've got a taste for so much cock.

But what I would really like is to be surrounded by dicks, all of them rock hard and waiting to be in me.

I would love to be covered in spunk, to have my pussy juices coating my thighs, mixing with all that cum. I want to know what it's like to have a cock on either side of my face, one waiting to be sucked while I was busy sucking the other, and then to find that right above my head

Come round mine for a big gangbang!

And once you'd all fucked every single hole of mine, you could take me out to a club and do it again. Only this time we could fuck in front of loads of people and maybe some other guys could join in.

It's probably because in the last few months I've bought myself so many dildos and had them all spread out around me while I fucked myself proper with all of them

are three more waiting for the same treatment.

And the idea of doing all of this, behaving like such a slut, in front of everyone, makes it that little bit more thrilling.

Are you up for it? Have I made your cock hard now? I wish I were right there with you, then you could fuck every hole of mine and make me swallow your cum...

Maria, Dartford.
